

——掌握核心技术

HAM-160
智能型检针机
Intelligent type needle detector

——掌握核心技术

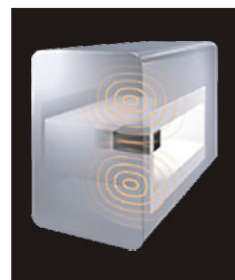

HAM-260
双头智能型检针机
Two-sensor Intelligent Type
Needle Detector

我们以不断创新的精神，无可比拟的专业度，凭借稳定可靠的品质，人性化的概念设计，准确可靠的检测和全方位的产品追踪能力以及高效的专业服务水准，我们时时刻刻都在为用户创造安全便利和放心。

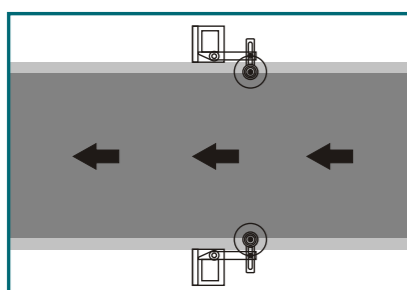

We create security, convenience and reassurance for our customers all the time on the strength of the stable and reliable quality, the human-oriented concept design, the precise and reliable detection, the the all-the-way product traceability and the efficient and professional service.

超强磁场
Strong magnetic

数码显示器
The digital monitor

自动输送防偏保护装置
Protective device against side running of conveyor belt

产品特点 (Product features)

- ◆ 采用自动补偿增益高精度传感器，使检测能力更强和检测更加可靠，确保在检测通道范围内无盲区。循环强磁场回路设计，抑制外界干扰效果更好。
The auto-compensation gain, high-precision sensor is adopted to make the detecting ability stronger and detection more reliable, ensuring no-blind zone in the detect channel. The design of strong magnetic loop makes the anti-jamming effect better.
- ◆ 数码显示器，能自动显示合格数量、不良品数量及总数量。
The digital monitor can automatically show qualified quantity, defective quantity and total quantity.
- ◆ 有自动输送带防偏保护装置,无需担心输送带跑偏
The protective device against side running of automatic conveyor belt prevents the conveyor belt from running deviation.
- ◆ 有智能启动功能,无需频繁按启动开关,延长机器使用寿命。
The needle detector is equipped with an intelligent start device which avoids pressing a start switch frequently so that life of the detector can be prolonged.

技术参数 (SPECIFICATIONS):

产品图片 Pictures of products		
产品型号 Model	HAM-160	HAM-260
检测方式 Detecting method	磁感应式 Magnetic induction	
检测宽度 Detecting width	540mm	
检测高度 Detecting height	100mm	
检测能力 Detecting ability	铁球Φ0.8mm FeΦ0.8mm iron ball	
报警方式 Alarm method	蜂鸣报警 Buzzer	
运行速度 Belt speed	(Appr.) 40m/min	
电源电压 Power supply	AC220V,50Hz or AC110V 60Hz	
消耗功率 Rated output	90W	200W
环境温度 Temperature	0-40°C	
环境湿度 Humidity	10%-90% (非凝结 non-condensing)	
外形尺寸 Dimension	1520 (L) × 990 (W) × 960 (H) mm	2250 (L) × 1170 (W) × 960 (H) mm
重量 Weight	(Appr.) 240Kg.	(Appr.) 435Kg.
可选件 Option	打印机、用户管理权限 Printer, administration authority
